Massachusetts Legal Assistance Corporation is the largest funder of civil legal aid in the Commonwealth.

### MLAC BASICS

**Background**
MLAC was established by the Legislature in 1983 to ensure that residents with low incomes facing critical, civil (non-criminal) legal problems would have access to legal information, advice, and representation.

**Mission**
MLAC’s mission is to provide leadership and support to improve civil legal services to people with low incomes in Massachusetts through collaboration with the legal services community, the public, the bar, and the legislature.

**Funding**
MLAC receives funding from a variety of sources, primarily the state budget. Other significant funds come from Interest on Lawyers Trust Accounts (IOLTA), private foundations, and government grants. MLAC disburses its funding to qualified civil legal aid organizations across the Commonwealth.

**Support**
In addition to funding, MLAC supports legal aid organizations with communications; data and research; diversity, equity, and inclusion initiatives; information technology; and program monitoring and evaluation. MLAC also partners with legal aid organizations, bar associations, the Equal Justice Coalition, and the Access to Justice Commission to activate a network of pro bono lawyers and publish self-help materials.

### ABOUT CIVIL LEGAL AID

Civil legal aid organizations provide free information, advice, and representation to people who otherwise would not receive help with serious civil legal issues related to housing, healthcare, immigration, employment, education, family law and domestic violence, disability, consumer problems, and elder issues. **People and families with incomes at or below 125% of the federal poverty line—$37,500 per year for a family of four and $18,255 for an individual in 2023—are eligible for civil legal aid.**

Although the U.S. and Massachusetts Constitutions guarantee criminal defendants a right to counsel, in most civil cases, people do not have that right. The consequences of these cases can be severe: people can lose their homes, health, safety, family, and financial stability without ever having spoken to a lawyer.

**Civil legal aid works to ensure that all residents of Massachusetts have equal access to justice.**

**LEGAL AID’S IMPACT IN FY22**

96,649 people benefited from civil legal aid in Massachusetts

$126 million in estimated economic benefits delivered to the Commonwealth and residents

Residents in 94% of cities and towns in Massachusetts were assisted by civil legal aid
MLAC uses state-appropriated funds to support regional and statewide legal aid organizations, as well as special projects.

**REGIONAL ORGANIZATIONS**

- **Community Legal Aid** serves western and central Massachusetts.
- **De Novo Center for Justice and Healing** serves Boston, Cambridge, and interior suburbs of Boston.
- **Greater Boston Legal Services** serves the Greater Boston area.
- **MetroWest Legal Services** serves the MetroWest region.
- **Northeast Legal Aid** serves Essex and Northern Middlesex Counties.
- **South Coastal Counties Legal Services** serves Cape Cod, the Islands, and Southeastern Massachusetts.

In addition to these regional organizations, MLAC provides funding to 10 statewide legal aid organizations, which specialize in specific issues, populations, or types of law. MLAC also provides general support funding through the Disability Benefits Project, Domestic Violence Legal Assistance Project, and Medicare Advocacy Project.

For a full list of grants and organizations MLAC supports, please visit our website: [www.mlac.org](http://www.mlac.org).

$47,805,238  
Total grants distributed by MLAC in FY22

$41 million  
Amount of MLAC appropriation in the FY23 state budget

“People need to know there’s help out there.”

Carol, client

Carol’s SNAP benefits were restored thanks to help from her lawyers at the Massachusetts Law Reform Institute.

A RANGE OF SERVICES

Legal aid advocates help people of all ages address vital civil legal issues, such as:

- Housing
- Immigration
- Employment
- Family law and domestic violence
- Health care
- Education
- Income maintenance
